

Coronavirus (COVID-19) Update 3/21/20

There will be no worship assembly tomorrow, 3/22/20, at the building.

Those who have Internet service may stream a service live from our website, www.collinsvillecoc.org/live.html. Three men will be there to conduct service in which you may participate from online. Prayers will be led. Sing along with songs posted on the website. Communion thoughts will be given and you may partake with us at home.

If you need the pre-filled communion cups, you may drive by the building today between 1:00 and 3:00 p.m. Someone will be there to provide you with them. A second option is to prepare your own. We might be doing this for several weeks. A recipe is given below for making your unleavened bread. You still have time to get out and find some grape juice. A contribution will be considered. If you go by the building today, you may drop it off. Otherwise, set it aside and mail it in.

We are working on a way to have Wednesday Bible class streamed. You might check Facebook for a children's class that Kay Waldram is planning to make available.

COMMUNION BREAD

3 c. flour (not self-rising)

1 c. shortening

3/4 c. water

Cut shortening into flour (like pie crusts- "pea size"). Add water. Roll out like pie crust. Bake at 325 until dried out.

(If you want it cut in small pieces, cut it with a pizza cutter before baking.)

This makes enough for 3-4 weeks for 150-200 people. To make smaller amount, you can divide the recipe.

Continue to keep in touch and keep all in your prayers. You are loved.
