2018 Gospel Meeting

It is not too early to begin making plans to attend our upcoming gospel meeting April 22nd-25th. Brother John Grubb will be preaching and he is sure to bring us timely messages from the word of God. The theme of the gospel meeting is, "Do You Know How Much God Loves You?" As the time draws closer, the subjects for each night will be published.

This is the time for us to be thinking about those we would like to invite to hear the gospel message. Not only can they come to the building to hear the lessons, but lessons can be viewed on our website and will probably be archived for later viewing. We want to make these lessons available so people can have the opportunity to hear the word of God.

We ask that you begin praying for this effort and that God will open doors for honest hearts to be exposed to the gospel. Pray for the safety and wellbeing of brother Grubb as he will be traveling extensively before conducting our meeting in April. Pray that we as the host congregation will do all we can to promote and support the preaching of the gospel in this evangelistic effort. Below is brother Grubb's biographical information.

John M. Grubb has been preaching since 1970. All but twelve of those years have been in mission work. He spent ten years as a missionary in Taiwan. He is fluent in speaking Mandarin Chinese and can read and write Chinese. He has four children and five grandchildren.

He prepares and translates materials into Chinese that are used around the world. He has produced more than 180 video lessons in Chinese and dozens of video lessons in English. He also helps in producing

radio lessons for broadcast in China. Since 1985, he has made 46 mission trips and has traveled to 22 nations of the world. He also travels in the U.S. to report on his work as well as to conduct gospel meetings and to participate in lectureships, mission forums, and workshops. He is in his 37th year of working among the Chinese people. His work is under the oversight of the Chestnut Mountain Church of Christ in Braselton, GA. —K.A. Pugh

Solar power is wonderful. But what happens in the winter when days are shortened and many days are cloudy. I assume the solar farms do not produce much electricity. Wind turbines are great. But what happens at times when the winds are not blowing. I assume they do not produce as much electricity. I know that many criticize the used of coal powered generating plants, but as long as there is coal, they will be reliable.

So it is with your spiritual life. You need reliable power spiritually.

Finally, be strong in the Lord and in the strength of his might. Put on the whole armor of God, that you may be able to stand against the schemes of the devil.
Eph 6:10-11 ESV

Every piece of the armor of God deals with truth. Study His word. Put on the armor of truth and you will find strength in the Lord today and every day as you meet the challenges Satan puts before you.
