From a Shepherd's Pen

It is that time of year again. Fall is upon us, soon the Holiday season will have come and gone. Before we know it another New Year will be fading into memory. As said in a recent talk, with each day that passes we are one day closer to the end of our earthly life.

Life seems long when you are young. If you are a parent or grandparent, did it take long for you to get to that point? When will your time come to an end? When will the Lord return? (Matt 25:13).

Recently, I encouraged you all to consider attending Sunday Bible classes, Sunday evening services and Wednesday Bible classes. What better position could you be in, if you know that you have done everything in your power to help yourself, your spouse, and your children to learn more about the Word, fellowship with your brothers and sisters in Christ, and worship our Lord and Savior!

As you get days, weeks, months, and years closer to eternity, are you ready? Have you done everything you can to help yourself, your family, and the lost around you to spend it in Heaven? I encourage you, if you haven't done what you can, repent and be an example to those who are watching you! As one of your shepherds, I am tasked with the responsibility of keeping watch over your soul (Heb. 13:17). Please encourage me and help me get to heaven too.

Wes Deweese

I have missed very few appointments with the doctor over the years. Why, you might ask? It is because I had a purpose for going to the doctor. I knew I needed to visit the doctor for the good of my physical health. With that in mind, I had already

determined beforehand to go. Weather has not stopped me that I recall. People dropping in have not stopped me. Work has not stopped me. Admittedly, I remember missing an appointment because of the flu. As I think about it, I cannot even recall being late for an appointment. Oops! I just remembered an eye doctor appointment that I forgot several years ago.

I have missed very few appointments with the Great Physician over the years, as well. Yes, there have been a few times that I missed due to illness. However, I know my attendance to worship and Bible class is for the good of my spiritual health. More important, I give honor to the One who is worthy of all praise and adoration, the Creator of the heavens and the earth. With that in mind, I determined a long time ago to attend the assembly of the saints. As a result, I have missed very few appointments with the Great Physician.

I was glad when they said to me, "Let us go to the house of the LORD!" Ps 122:1 ESV

Be glad to go to the house of the Lord. Determine in your heart to be there at every opportunity. Realize the importance of your appointments with the Great Physician.

It will do you good and God will be glorified.
