THERE'S A MEETING GOING ON

Forty-five years ago someone said to a friend, "There's a meeting going on; why don't you go?" Because he said that to her, she went— and she became a Christian.

After becoming a Christian, she soon converted her husband. She was married to him forty years. After he died she married another man, whom she also converted. Not long after becoming a Christian, she converted her mother

and one brother.

She had one son. She was a Christian mother, so she raised him up to want to be a Christian. Her son had a friend who didn't have a Christian home and desperately needed one and wanted one. He looked to his friend's mother as his own mother. He was led to become a Christian also. He married a Christian girl and they had two children and later adopted a third. All

three are Christians, and one is studying to be a minister.

The lady's son was attracted to a girl, and both the girl and her mother were drawn to the church, and both became Christians. The girl had an older sister who wasn't a Christian. The older sister saw the lives of her sister's family, and later she and her husband became Christians.

Evangelistic Efforts at Collinsville

On the wall next to the audio visual room, you will find a thermometer has been placed there to remind us of the work we have ahead of us. Again, we are endeavoring to get the gospel message into 50,000 homes. In a two

month period we have already reached the 5000 mark. Yes, we have reached 5000 homes with the gospel message by door knocking and distributing literature! Thanks to all who have participated in the ef-

forts. Much work still need to be accomplished, so if you can assist in any way in the month of October, please let me know. Depending on the weather, October may be the last chance to get involved until Spring 2009.

A Special Thank You

A special "Thank you" goes out to all who have gone door to door over the past two months. We have covered a lot of ground in a short period of time. It has been wonderful working side by side with fellow laborers in the gospel. Not only have we been carrying out the Lord's commission, but we have had time to fellowship and get to know one another a little better. A special thanks goes out to: Steve Aguayo, John Colon, Robert Guinn, Gloria Hartmann, Darleen Pugh, Christine Simpson, Richard Stopher, Drew Waldram, and Emily Waldram.

If you would like to go out during October, please sign the sheet on the evangelism board.

**THERE'S A MEETING GOING ON
CONTINUED.....**

After the son who was attracted to a girl got married, they had three children. One son was born afflicted, but found a very special spot in the family and was sorely missed when he was called home twenty years later. The sisters who were left became Christians.

These two sisters have married husbands who have become Christians.

Does the chain of influence stop here? I would have to answer, "No!" The chain of influence, whether

for good or evil, never stops.

It was all because one friend, Lorene Atzenhoffer, listened and her heart was moved to obey the gospel that this chain of events started. It started when one man said, "There's a meeting going on; why don't you go?" Only eternity will tell how many lives were touched. – *via Good Tidings of Good Things*

Our evangelistic efforts are off to a good start. Let us continue to be sowers of the word. As

we plant and water the word, the Lord will give the increase. Who knows what positive influence the word will have once we scatter it abroad? I want to encourage each of us to get involved in the evangelistic efforts here. Wouldn't it be nice to have this same chain of events happen in the lives of those we love? It can if we just keep planting and watering the seed!
