Evangelism Classes off to a Great Start

ready.set.
go!

Four evangelism classes have launched among the local church at Collinsville and it is our prayer and hope that those who attend and complete the classes will be motivated to carry out the Great Commission in their worlds and employ one or more of the various methods that are being taught.

I hope there is a sense of excitement about the classes because they will be used to equip the members to become more comfortable in conducting Bible studies and helping others come to the knowledge of the truth. Nothing compares to being able to help someone come to Christ and learn the truth of the gospel.

The following are reasons why each member ought to make an effort to attend one of the evangelism classes that will be offered.

1. The classes will equip each member to prepare themselves for the work of the ministry (Eph. 4:11-12). If you have not conducted a Bible study, these classes will provide the tools and support needed to accomplish this great work.
2. The classes will help us, as a congregation, fulfill the Great Commission. Disciples are to make disciples and these classes will help us become better disciples of Jesus (Matt. 28:19-20).
3. The classes will focus on various methods used to save souls. The student will be able choose which method is best and easiest for them to study and carry out the Lord's will. We want to provide the tools necessary to help you become comfortable teaching God's word.
4. You do not want to be left behind when others have been trained for the work of the ministry. In order for us all to be on one accord about our mission, we all need to be taught the same things. This is one reason the early church was so successful in their work. They were all taught the same things (1 Cor. 4:17), and as a result, they were all of the same mind and had all things in common (Acts 4:32).

As the first four classes wrap up in the next month, others will be scheduled soon after. We look forward to seeing you in one of the classes. Our love for the Lord should motivate us to become participants in this great work. Let's get ENERGIZED, EXCITED, & EQUIPPED ABOUT EVANGELISM!
