

Don't Wait Too Late to Learn Evangelism

ABOUT
EVANGELISM!**

Many times, as the people of God, we wait until it is too late to develop a desire to fulfill the will of God. The children of Israel, for example, was commanded by God to take the land of Canaan when the 12 spies returned. When the 10 reported negatively about the land, the people became afraid and refused to go in to possess it. After God pronounced judgment on the spies and the people, the next morning they were ready to fight against the enemy. It was too late. Moses told

them, "Wherefore now do ye transgress the commandment of the Lord? But it shall not prosper" (Num. 15:41).

Jesus gives an account of two individuals who died and were carried into the Hadean realm. One individual was a rich man who had several brothers

who were left on earth. The rich man begged father Abraham to send Lazarus to his father's house because he did not want his five brothers to come to the place of torment (Luke 16:27,28). During his lifetime, he had the opportunity to hear Moses and the prophets, and to teach those truths to his brothers. Now, it was too late.

The Method & Motivation classes are designed to equip each of us so that when we are ushered into eternity, we will have no regrets when it comes to teaching ourselves and others the gospel. Once we have crossed over into eternity there is nothing we can do for anyone who is left on earth. Since we are living on this side of eternity, we have opportunities that God has blessed us with to learn and teach others. Take advantage of these golden opportunities while they exist. We would love to have you in class to help prepare you to be able to present God's word to those who really need to hear it. Don't wait until it is too late.
