Dear Friends,

The first Saturday of April, the Board of Trustees met with me to review the operation and finances of Shults-Lewis. Some of these men traveled 7 hours to come to this meeting. They drove the distance because they wanted to give of their expertise, wisdom and love to a ministry they believe makes a difference in the lives of young people.

During the meeting, I asked new houseparent families the Davidsons and the Zandstras to come by the conference room to meet the Board. After visiting with each other, the Board members asked the Davidsons and Zandstras to join hands with them so that a prayer could be led, a prayer asking for God's blessings, success with teens and a prayer of thanks for bringing us these two wonderful couples. After the prayer, I remember feeling very privileged to be associated with the men of the Shults-Lewis Board.

I tell you this story to illustrate the great leadership found at Shults-Lewis. I want you to know that the ministry you are supporting is led by men attempting to do great things for the Kingdom while bringing their best to the feet of the Father in their work for Him and the children He created.

Thank you for your gift! Together we are doing great things in the lives of God's children.

Your Brother in Christ,

Ray Crowder
Executive Director
