Bibles for the World**

*And Jesus came
and spake unto
them, saying, All
power is given unto
me in heaven and
in earth. Go ye
therefore, and teach
all nations,
baptizing them in
the name of the
Father, and of the
Son, and of the
Holy Ghost:
Teaching them to
observe all things
whatsoever I have
commanded you:
and, lo, I am with
you always, even
unto the end of the
world.
Amen.
(Matthew 28:18-20)*

1400 Troy Rd.
Collinsville, IL 62234

Dear brethren:

Although we live in a world of change, this remains constant --sin separates people from a loving God. The Gospel is God's power to save fallen man. Consequently, the Lord's great commission remains, "Go ye into all the world and preach the gospel to every creature" (Mark 16:15).

Lord willing in about three weeks I will leave Memphis and fly to San Francisco, then on to Tokyo and finally reach my destination in Singapore. Here we will have the First Annual Four Seas Bible College Lectureship. The theme of this year's Lectureship is "Church Growth." It will be my privilege to speak several times on this Lectureship. Additionally, there will be a Gospel Meeting each night of the same week. Hopefully these efforts will bring lost souls to God and edify the saved. I certainly appreciate your prayers for a safe and prosperous journey.

The work in Kakinada, India continues to go forward with the many who take the Bible Correspondence course, with each one receiving a Bible upon completion of the Course. There is always a need for money in this good work.

Brother Cliff Lyons continues to preach the Gospel in Murmansk, Russia. This is a difficult work, yet one which brings glory to God. In addition to the regular work of the church we still operate a Saturday Bible School for all who desire to study God's Word. Thankfully ten or so people take advantage of this work.

Thanks so much for your support for Russia. Without God's blessings and your support we would not be able to accomplish what is being done in getting God's saving message to the world.

In His service,

Billy Bland
